Volunteers make ACWL run smoothly! We're always looking for help around the gallery and during our numerous events.

Teach a Class

Are you an artist? We'd love to have you teach a class at ACWL- Nuveen. Artist Teachers set their own hours, determine class size, and create their own classes!

Sponsor an Event

Our sponsors are essential when it comes to hosting all of our events! As a sponsor, you'll be recognized at the event you sponsor and through our marketing of that event.

Donate

As a non-profit, we literally run on donations! There are various funds to which you can donate, but any donation helps us achieve our mission of inspiring the White Lake Area through engaging and accessible art.

Classes

ACWL-Nuveen offers a wide variety of classes for every age and skill level, all year long. Drawing, painting, tai chi, crafting, acting, and many more. We also offer Spring Break and Summer Art Camps for the low price of \$10, thanks to our sponsors.

History

The Arts Council of White Lake - Nuveen Center was founded in 1985 to provide a much-needed art program in the White Lake Area. We continue to promote a creative and artistic community through a calendar of public exhibitions, a gallery for local artists, high quality art education for all ages, and community art events.

Events

Summer is the busiest time of year for us, as we offer our Free Summer Concert Series, the Artisan Market, a Summer Solstice Celebration, and a Community Variety Show. Throughout the year, we also participate in Pumpkinfest and the Holiday Art Walk, as well as host our annual Membership Dinner.

engaging opportunities in
the arts."***

Gallery

Our gallery features the works of over 40 West Michigan Artists. Inside, you'll find many unique items from jewelry, to pottery, to paintings. It's a great place to find inspiration, discover a new piece for your living room, and shop for gifts for loved ones.

Exhibitions

Throughout the year, we present three types of exhibitions: Guest Artists, Group Shows, and Community Calls. These shows allow us to broaden cultural understanding while encouraging creation in our community.

Public Art

Driving through the White Lake Area, you'll find many examples of Public Art. To truly immerse yourself in art, we suggest taking a walk or ride along the Hart-Montague Recreational Trail. Here you'll find our Art Walk, which features 15 sculptures and one mural placed by ACWL-Nuveen.
